

# MOVR Methodology

You are here ★

## Mobilize

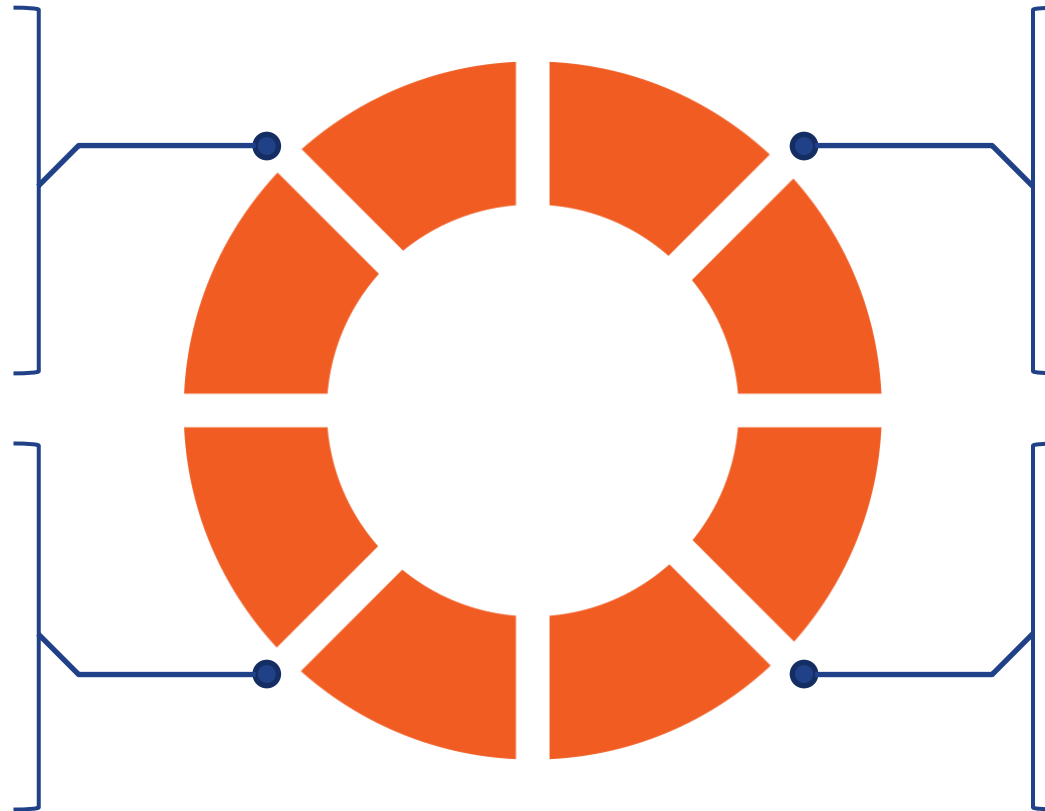

Framework for Success:

- Planning
- As-Is/To-Be analysis
- What does success look like?

## Optimize

Fully leverage Dayforce built-in best practice:

- Design
- Walk-thru and feedback (repeat)
- Configure

## Validate

Testing and more testing:

- Unit, Integration, End-to-end
- User Acceptance
- Simulate “parallel”

## Realize

Move to Production:

- Checklist and plan
- MTP and data loads
- Go Live
- Hypercare
